

Leukaemia Care – Skydive Day (July 2022)

We're so pleased you've decided to sign up to our skydive day organised by Skyline. Here we've put together some terms and conditions for the event

- All bookings are done online at leukaemiacare.org.uk and through skydive provider skyline.
- To secure a place, you must pay a non-refundable and non-transferable booking fee. The booking fee is refundable only if the event is cancelled by Leukaemia Care and not by the airfield. The registration fee will not be refunded if you withdraw for any other reason.
- By signing up you commit to reaching the fundraising goal of £440, and inform Leukaemia Care if you think you will not be able to achieve this.
- You must have raised £300 by 5pm on 16th June 2022. If you do not reach this, Leukaemia Care may withdraw your place if, at any time, in its absolute discretion, if it considers that you are not committed to raising this sponsorship amount.
- All sponsorship money must be sent to Leukaemia Care within six weeks after completing the event.
- If you do not take part in the event, any sponsorship money raised will be treated as a donation unless your sponsors contact Leukaemia Care directly for a refund.
- You understand that Gift Aid is not included in your fundraising goal but that money raised from Gift Aid is a valuable bonus for Leukaemia Care and contributes to event costs and commission charged by online giving platforms.
- Should the weather be unsuitable for jumping on the day it will be up to you to return to the parachute centre on another occasion if necessary to complete your jump.
- If you can no longer make our skydive day, a fee of £50 will be charged to change the date of your jump. This is in addition to the booking fee and is not in any way deductible from any sponsorship money raised for a charity. If you do change your jump date, Leukaemia Care will not attend on the day of your jump. To change the date of your jump you will need to contact Skyline directly.
- By signing up you agree that you are over 16 years of age, under 15 stone and if over 40 you have self-certified yourself (if you have any previous medical history, please contact your doctor). Those under the age of 18 will need the medical form signed by a parent or guardian – either of these will need to be with you on the day of the jump. Further details about medical restrictions can be found below.
- You give your permission for Leukaemia Care to use any photographs/videos taken of you at this event, to raise awareness and/or money for its work to support those affected by a blood cancer.
- You agree that Leukaemia Care may share your details with the event organiser, Skyline.

- You agree to Leukaemia Care storing the information that you provided on their database.
- By signing up, you agree for Leukaemia Care to contact you about anything regarding the event.
- By signing up to an event with Leukaemia Care you agree to receiving further communications from Leukaemia Care until you manually unsubscribe from our mailing lists.

Medical Restrictions

For a tandem skydive you must be at least 16 years old and must weigh under 15 stone. The principal medical restrictions are diabetes, epilepsy, fits, recurrent blackouts, heart or lung disease, mental illness and some cases of asthma but if you are in any doubt please contact us for further information.

You will be required to sign a medical form before your jump declaring your fitness to take part - this will be sent to you upon receipt of your reservation form but is also available on request.

Those under the age of 18 will need the medical form signed by a parent or guardian; those aged 40 and over, or those with a medical condition, will need it signed by their doctor.

Insurance

On payment to the parachute centre of the fee for the training and the jump, all jumpers are covered by the British Parachute Association Liability Insurance Policy up to £2 million for liability to Third Parties. Please note that this does not cover you or your dependants for personal injury including death. You are therefore strongly recommended to take out your own insurance cover for personal accident benefits to whatever level you consider appropriate. You can do this either in conjunction with your own insurance broker or you may call us on the number below and we will send you a Personal Insurance Form. If in any doubt you should seek independent advice.
