#WorldLeukaemiaDay

Hi there,

I'm a leukaemia patient living in **[Town/City Name]**, and a supporter of Leukaemia Care, a national charity that provides vital support to all those affected by blood cancer.

For World Leukaemia Day, on the 4th of September, Leukaemia Care are asking buildings to light up red to raise awareness of Leukaemia. Would you help Leukaemia Care with their national campaign by lighting **[building name]** red?

If so, please contact Leukaemia Care at communications@leukaemiicare.org.uk

Best Wishes,
